Available spaces for academic year 2011-2012/2012-2013: 10 students per year, 20 students of one semester each, or any combination not exceeding 20 semester units. Due to space constraints, no more than 2 students from the same major in each semester. 4 academic year students, 8 semester students, or any combination not exceeding 8 semester units total to engineering for 2011-2012/2012-2013; these can be in any department except electrical engineering and mechanical engineering.

** All of the information below is current for 2011-2012. Information for 2012-2013 will be available in December 2011 on www.studyabroad.illinois.edu under “Incoming Exchange.”

Application Deadlines: April 1 (Fall Semester or Academic Year), September 1 (Spring Semester)

Costs: The USFQ exchange student at Illinois will incur the following estimated expenses:

**USFQ Tuition (not registration fees) and airfare**

**Room and Board**

**On Campus:** (20 meals per week): $10,080 per year / $5,040 per semester  
**Off Campus:** RENT: $400-$600 per month, FOOD: $200-$400 per month, UTILITIES (such as electricity, gas, heat, water, trash removal, and internet service): $100-$200 per month.

**Miscellaneous Costs**

**Medical Insurance:** $438 per year / $219 per semester  
**Health Service Fee:** $458 per year / $229 per semester  
**Transportation Fee:** $100 per year / $50 per semester  
**SORF (Student Organizations Resource Fund) Fee:** $12 per year / $6 per semester  
**Krannert Fee:** $40 per year / $20 per semester  
**New International Student Orientation Fee:** $35  
**Orientation Accommodation:** $150 ($50 per night for 3 nights at Illini Union Hotel)  
**Books, supplies, and internet service:** $1,200 per year / $600 per semester  
**Additional personal expenses** (e.g. clothing, entertainment, cultural activities, cell phone, and items for dorm room): $3,510 per year / $1,755 per semester

**Total per year:** USFQ Tuition + airfare + Room and Board + $5,943 (Misc. Costs)  
**Total per semester:** USFQ Tuition + airfare + Room and Board + $3,064 (Misc. Costs)

Requirements: TOEFL score 550 (paper-based) or 213 (computer-based). IBT score 79.

Information to obtain the visa: Students must prove that they have a bank account with the following amount PER SEMESTER to cover all of their expenses during the exchange period: $8,000, minus the amount of the scholarship they are awarded by USFQ. Therefore, if they are given a semester scholarship of $1,000, their bank account must have at least $16,000.

(Continued)
Number of students: 31,932 undergraduate; 10,674 graduate; total 42,606

Strengths: Engineering, Agriculture, Natural & Physical Sciences, and Humanities

Campus Programs: Click on the below link for a list of campus programs.

http://admissions.illinois.edu/academics/majors_college.html

Restrictions: The following programs are not available to students through this exchange:

- College of Business (ACCY, BADM, and FIN courses)
- Department of Bioengineering (College of Engineering)
- Division of General Studies
- Graduate College
- School of Labor and Employment Relations
- College of Law
- Graduate School of Library and Information Science
- College of Medicine
- Technology and Management Program (TGMT courses)
- College of Veterinary Medicine
- Any internships, co-op programs, or teaching practicums in local schools
- Architecture

The following departments experience high enrollment pressure. Students interested in these departments should be extremely flexible in their course choices:

- Advertising (College of Media) – VERY limited enrollment
- Chemical and Biomolecular Engineering (College of Engineering and College of LAS)
- Chemistry (College of Library Arts & Sciences)
- Economics (College of Library Arts & Sciences) – VERY limited enrollment
- College of Education
- Electrical and Computer Engineering (College of Engineering)
- Journalism (College of Media)
- Kinesiology (College of Applied Health Sciences)
- Landscape Architecture (College of Fine & Applied Arts)
- Mechanical Science and Engineering (College of Engineering)
- Political Science (College of Library Arts & Sciences)
- Sociology (College of Library Arts & Sciences)
