http://services.juniata.edu/reslife/housing.html  
All of the residence hall rooms at Juniata feature a telephone (with separate lines and voice-mail for each student), a full cable TV hook-up, and access for each student to the Internet. In addition, each hall has a student lounge (some with ping-pong, pool or foosball tables), and kitchen and laundry facilities. The unique features of each building, such as dimensions and type of closet are outlined below.  
In additional to traditional residence halls, Juniata has several off-campus apartments in which students live under the |
standard housing plan. These apartments are selected by students in the same manner in which standard residence hall rooms are, and are generally occupied by juniors and seniors.

Each apartment has a bedroom (some have two bedrooms), bathroom, kitchen and living room. The buildings that contain these apartments are highlighted below.
